

Dear Dental Family and Friends,

After many wonderful years of practicing dentistry, I am writing to let you know that I am retiring. This decision comes with mixed emotions, as it has truly been an honor and privilege to care for you and your families. I will deeply miss the relationships that have brought so much meaning and joy to my career. My hope is that I have given back to you as much as you have generously given to me—your trust, your loyalty, and the opportunity to serve.

I want to express my sincerest gratitude to all who have allowed me to be a part of their lives—whether it was you, your children, or even your grandchildren. Your confidence and support have made my journey not only fulfilling but also incredibly rewarding.

In preparing for this transition, I have been thoughtful and thorough in finding the right person to continue your care. I am pleased to introduce **Dr. Roshni Patel**, who shares my values, dedication, and commitment to patient-centered care. Like myself, she graduated from the esteemed Herman Ostrow School of Dentistry of USC.

Dr. Patel earned her Doctor of Dental Surgery (DDS) degree in 2015 and brings 10 years of experience in providing comprehensive dental care. She is recognized for her meticulous, compassionate approach, and her focus on patient comfort and long-term dental health.

Dr. Patel will be taking over the responsibility of your dental care here in our office. We are truly fortunate to welcome such a capable and caring professional. She brings with her not only expertise but also a warm and gentle touch that I know you will appreciate. She has also undergone advanced training in both cosmetic and family dentistry, and I am confident that she will enhance the quality of care you receive.

A San Diego resident, Dr. Patel lives locally with her husband and children and has been serving our community through private practice dentistry, since graduating. I have every confidence that she will continue the tradition of trust and excellence that we have worked hard to build.

I would also like to extend my heartfelt thanks to my incredible staff for their years of dedication, warmth, and professionalism. Kari and the entire team will remain with the practice, and they are looking forward to welcoming you and assisting with your continued care.

There will be no changes to scheduled appointments. If you are due for a checkup or cleaning, please don't hesitate to call us.

Dr. Patel and I will be working closely together during this transition to ensure it is smooth and seamless for each of you. She is eager to meet you, and I know you will welcome her and her family as warmly as you have always supported me.

Thank you for the trust you've placed in me over the years. It has been the highest honor to be entrusted with your dental health.

With deepest gratitude,

Robert L. Coe, D.D.S.
